

Short-term project: “EUROBAKCYARDS 9”

15.07 - 31.08.2019

Bydgoszcz – POLAND

The theme of this project is a series of cultural and educational meetings conducted by European volunteers with children and young people in the backyards of Bydgoszcz.

The task of volunteers is to show:

culture

activities

games

During activities with children and young people we want to promote different cultures of the Europe, active recreation and volunteering within the European Solidarity Corps.
