Duration: 12 months

Between:

31th may 2022

-

may 2024

The best projects start with the best basics

We can split our activities to five main fundamental parts:

Education

Culture

Social integration

Psychological advisory

International cooperation

„Open Wings” project - what is it all about?

The European Solidarity Corps give an opportunity for the youth, to be a part of an individual volunteering project called „Open Wings”

We are searching for European volunteers:

- Helping disabled people at the „Workshop Therapy Center” of „Wiatrak” Foundation
- Taking an active part in the lessons at the kindergarten „U Karolka”
- Assisting the institute of „Center of the Catholic Culture” with information on how to manage youth's free time
- Taking part in the „Project Interart” in which you help disabled people developing their social and personal skills
- Working with the elderly people at The Senior's Club „Wiatrak”
- Taking an active part in the lessons at the kindergarten number 48 „Pod Sosnami”
- Taking an active part in the lessons at the elementary school number 66

Join us and be a part of something bigger... OPEN your WINGS with us
